State Testing

After Spring Break all grade 6-8 students will be taking the ELA and Math State Assessments. Eighth graders will also be taking the Science State Assessment. The tests are not timed. We know that an end-of-the-year test cannot possibly tell us *everything* about your child's academic progress. However, the results do act as a snapshot of your child's strengths and areas for improvement and can be used as a way to ensure he or she is getting the support he or she needs. The specific dates of testing will be announced in March. To decline testing for your student please use the "opt-out" form located on the MRSD District [Website](#).
